The Baptist Missionary Union, lately in session at Albany, was attended by one thousand delegates. Amongst the communications presented from the executive committee was a correspondence between the American minister and the King of Prussia, in regard to the persecutions to which the Baptists of Germany had been subjected. The King had exhibited the kindest spirit. and declared that if the Baptists would effect an ecclesiastical organization which could be recognised by the government, all causes of complaint would cease. Extensive preparations have been made for the com-tort both of the invalid and the man of pleasure. It were needless for us to attempt to set forth the value of our place, n a medicinal point of view. Many, afflicted with various issesses, have visited us, and after a few weeks sojourn, have gone away either entirely cured or greatly relieved-particularly such as have been afflicted with Scrofula, di seases of the Skin, Stone in the Bladder, and also of the Di gestive System in general. Of these facts, there is an abundance of proof, and many who have certified to them, and the same have gone forth to the afflicted people. And we have at this time two living specimens of Scrofula cases, cured sound and well, with us, to be seen as testimony to our decsound and weit, with us, to be seen as teamony to our declaration; one of which was almost a hopeless case.

We are in Macon county, Middle Tennessee, 12 miles east of Lafayette, our county seat, 55 or 70 miles from Nashville, 45 miles turnpike, and the balance high ridge road, and other good country roads coming from every point—from Lebanon, Wilson county, Hartsville, Carthage, Gainsboro', Tenkinyeille, Glascow, Gallatin, &c.
